

On Your Way

An ending
A beginning
Time to start
Your path
Your adventure
Your journey
Your life.
One step
Forward
Or Sideways
Or Backward
Regardless, Onward
Excitement
Fear
Ready
Or Not (you are)
It's time
On Your Way!

Excited to share with you, as part of this FREE workbook from SHELLYBARTOSEK.COM, this original artwork and poem by Kim. The cover art and poem were both created as a one-of-a-kind commission in celebration of my passion for supporting others as they navigate the transitions of life. It was a true delight to work with Kim, sharing ideas for the piece while inviting Kim to “do what she does best” and CREATE a piece that exceeded all of my expectations. Bringing my passion for coaching, nurturing, and supporting others through the transitions of life.

Enjoy! - *Shelly*
